CSC #: * _____ Signature Required: _____

*CSC is the 3 or 4 digit code found on the signature line of the credit card. CSC is found on the front of AmEx cards.

In order to guarantee the best possible outcome for your repair, we will only accept White's Boots at this time. On a rare occasion, we'll receive boots that are past the point of rebuilding. Once boots are assessed by our Repairs Department, a representative will contact you to discuss the repair in further detail if needed. A Sales Order will be emailed to you once the repair has been started. Payment can be submitted via credit card at [800-541-3786](tel:800-541-3786) or by mailing a check to the address above. The wait time for resole and rebuild services fluctuates throughout the year, with busy times typically leading up to summer. The best way to get current expected wait times is to contact our Repairs Department by email at repairs@whitesboots.com or by calling [800-541-3786](tel:800-541-3786).
